RE: COVID Protocol for Grand Session

The MWPHGL of Georgia is fully aware and takes seriously the dangers involving exposure to the COVID-19 virus and its several variants. The protection and safety of our members and families is our top priority. However, we are following the direction and protocols of CDC, State and local authorities and the recommendation of our collective Medical Teams.

- First, you must visit the Medical Team area before securing your registration and present the following: Proof of Vaccination Card or negative COVID-19 PCR or rapid test result administered by a medical professional and taken within 72 hours of check in.
- A wristband will be issued and required to wear at all times to indicate clearance by the Medical Team.
- Second, proceed to the Registration Team location to secure your registration packet.
- The utilization of masks will be at your discretion during the duration of the session.

I look forward to seeing all of you at our upcoming session; and I pray that you have a safe, fun and harmonious time while in Augusta!

Fraternally submitted,

Corey D. Shackleford, Sr.
