Do You Just Belong?

Are you an active member, the kind that would be missed; or are you just contented that your name is on the list?

Do you attend the meetings and mingle with the flock; or do you stay home and criticize the knock?

Do you ever go and visit a member that is sick; or leave the work to just a few and talk about the clique?

Come to the meeting often and help with hand and heart. Don't just be a member, but take an active part.

Think this over member, you know right from wrong; are you an active member or do you just belong?
